Neighbourhood Management Meeting

A meeting was convened on 18th January 2016 and attended by colleagues from Land and Environmental Services (Cleansing and Landscape Design), and Community Safety Glasgow to discuss the timetable for the improvement works at Tobago Street.

Departmental/Partner Responsibilities

Tobago Street – Proposed Improvements to Vacant Ground:-

- Land and Environmental Services Cleansing - clearing the site of rubbish and debris.

- Community Safety Glasgow – clearing site vegetation, excavation, filling and spreading of topsoil.

- Land and Environmental Services Parks – growing media, seeding and turfing..

- Land and Environmental Services Parks – on-going maintenance.

Timetable

Improvement works to begin week commencing 31st January 2016 and should last approximately 3 – 4 weeks. This is a suggested timetable as the works will be dependent on weather conditions, resources/equipment and staff available as most of the work is being carried out in-kind.
