Glasgow's Food Plan – Presentation by Glasgow Food Partnership noted.

4 The Partnership heard a presentation by Ms Siobhan Boyle, Glasgow Centre for Population Health regarding Glasgow's Food Plan, advising

(1) that the vision for Glasgow was to be recognised for its good food and as a city where tasty, healthy, and affordable food was accessible for everyone;

(2) of the Glasgow Food Policy Partnership partners and how the Plan had been collaboratively developed over 2 years; and

(3) of the evolving plan and the long-term outcomes.

After consideration, the Partnership

(a) thanked Siobhan Boyle for her presentation; and

(b) raised questions in relation to whether this would be rolled out across the city rather than one area as it would be beneficial for more people to have access to fruit and vegetable markets which was answered by Siobhan Boyle.
