**Glasgow City Health and Social Care Partnership - Ward update noted.**

**5** There was heard and noted a verbal report by Siobhan Boyle, Glasgow City Health and Social Care Partnership (GCHSCP), advising

(1) that the vision for Glasgow was to be recognised for its good food and as a city where tasty, healthy, and affordable food was accessible for everyone;

(2) of the Glasgow Food Policy Partnership partners and how the Plan had been collaboratively developed over 2 years; and

(3) of the evolving plan and the long-term outcomes.

After consideration, the Partnership

(a) thanked Siobhan Boyle for her presentation; and

(b) raised questions in relation to whether this could be rolled out across the city rather than in one area as it would be beneficial for more people to have access to fruit and vegetable markets, which was addressed by Siobhan Boyle.
