A partnership including Toryglen Community Hall, Glasgow City Council's Neighbourhood, Regeneration Services (NRS), Castlemilk Youth Complex, Glasgow Life Youth Services and Sanctuary Housing, had been formed over the last few years to try and tackle some of the ongoing issues with youth disorder;

(5) the partnership had managed to secure funding for youth workers who would develop relationships and activities with local 11 plus year olds from the local area;

(6) Toryglen Community Hall ran 14 different activities and events for children and young people in 2023/24, this being double the amount of the previous year and;
