Connecting Woodside - Presentation noted.

5 There was heard a presentation by the Executive Director of Neighbourhoods, Regeneration and Sustainability (NRS), regarding Connecting Woodside, advising of

(1) the background to the project, who the team comprised of and how the project had been funded;

(2) the works completed to date, ongoing works and future works, as detailed in the report; and

(3) the community engagement and public consultation that had taken place and that further information could be accessed at https://www.glasgow.gov.uk/article/21802/Connecting-Woodside or by contacting the officers at aidan.omeara@glasgow.gov.uk or malcolm.hall@glasgow.gov.uk.

After consideration, the Partnership

(a) noted the presentation and thanked the officers for the update;

(b) raised a number of concerns and questions that were addressed by Mr O'Meara and Mr Hall; and

(c) requested that

(i) Woodside Halls contact Queens Cross Housing Association with regard to desolate space that could be developed;

(ii) information be provided on air quality before, during and after the completion of the works; and

(iii) a site visit take place with the Partnership members, NRS officers and other representatives from the ward to be carried out at the end of April.
