South Locality	Final report of the NHS GG&C Health & Wellbeing Survey for South Locality: 2022-23 HWB Survey South - Final Report.pdf Our Primary Care Improvement Plan Phase 1 works now have certificates of completion for all sites. The HSCP will now be moving the last of the furniture into the rooms before they are available for staff. PCIP Phase 2 is under review given the constraints around Capital Planning funding moving forward. We are discussing with affected Practices and sites.

	We are hosting a locality engagement forum for South on the 25th. It will be discussing GCHSCP's review of the criteria for access to social care support and if any of your members wish to attend then we can accommodate that. It will be a virtual meeting. The re-commencement of the Quit Your Way stop smoking service remains positive. One face to face clinic continues to thrive at Kellock Pharmacy, The Braes Shopping Centre, Dougrie Drive, Castlemilk, Glasgow G45 9AA.
