Neighbourhood Infrastructure Fund update noted – Request to Executive Director of Neighbourhoods, Regeneration and Sustainability – Funding approved.

8 With reference to the minutes of 23rd November 2023, there was submitted and noted a report by the Executive Director of Neighbourhoods, Regeneration and Sustainability (NRS), regarding the Linn Infrastructure Fund, advising of the progress in relation to the process to support the Neighbourhood Infrastructure Fund (NIF) including a summary of commitments to date.

After consideration, the Partnership

(1) noted the report;

(2) requested consideration be given to re-surfacing at Old Cathcart Road footways and the roundabout at Croftfoot, which Karen Venables would provide costs for;

(3) approved funding of £20,487 towards project capital costs, project management and fencing work in Castlemilk Park;

(4) agreed to hold a meeting via video conference with the ward's Elected Members, Community Councils, NRS and community groups at the end of May 2024 to discuss and agree how the NIF should be split across the ward, with any proposals to be confirmed for pricing by NRS that would allow projects to be brought forward for discussion and approval at the next Partnership meeting.
