Police Scotland ward update noted etc.

3 There was heard and noted a report by Inspector Colin MacLucas, Police Scotland, advising the Partnership

(1) of the current progress that Police Scotland was making within the ward including the positive work engagement that had been carried out regarding the number 75 First bus service within Milton; and

(2) of the ongoing issues with youth disorder within the closes on Shuna Street and that the housing associations were looking into insuring that all close doors are full secured, and that Police Scotland would continue to monitor the area.
