Police Scotland ward update noted etc.

2 There was heard and noted a report by Inspector Colin MacLucas, Police Scotland, advising the Partnership

(1) of the current progress that Police Scotland was making within the ward including the positive work engagement that had been carried out within the Wyndford area;

(2) of the anti-social behaviour operation at the shopping centre and Asda and of the positive work that had been carried out to tackle the ongoing issues, however this had seen a slight increase of large groups of youths gathering again around Asda and that Police Scotland would continue to monitor the area;

(3) of the progress of CCTV installation at the pedestrianised area between Dunbeith Place and Wynford Road; and

(4) that a meeting had been arranged with the national leads from Crimestoppers, Fearless and Wheatley Homes regarding a Community Engagement Plan and that Police Scotland would be seeking funding from the Area Partnership budget to support this.

After consideration, the Partnership

(1) noted the report and thanked Inspector MacLucas for the update and all the work carried out by Police Scotland within the ward; and

(2) raised questions and concerns that were addressed by Inspector MacLucas.
