Neighbourhood Infrastructure Fund - Progress update noted – Request to Executive Director of Neighbourhoods, Regeneration and Sustainability.

5 With reference to the minutes of 24th April 2024, there was submitted a report by the Executive Director of Neighbourhoods, Regeneration and Sustainability (NRS), regarding the process to support the Springburn/Robroyston Neighbourhood Infrastructure Fund (NIF), including a summary of commitments to date.

After consideration, the Partnership

(1) noted

(a) concerns and frustrations regarding the lack of progress and how consultations were prioritised;

(b) that a new project manager would be recruited specifically for the NIF fund which would help streamline the process in respect of consultations and costings; and

(c) that currently, CCTV could not be installed in some parts of the Robroyston area due to land ownership issues;

(2) raised further concerns regarding the huge dips in local pavements and main roads in the area that posed a health and safety risk and that footpaths and street paths in the area should be disability compliant; and

(3) requested the Executive Director NRS to provide

(a) costs for the installation of dropped kerbs; and

(b) information on land ownership in some parts of the Robroyston area so that CCTV could be installed.
