NHS Greater Glasgow & Clyde 2022/23 Adult Health & Wellbeing Survey – North East Locality Findings

Purpose of Report:

To provide the Area Partnership with awareness of the suite of reports available related to the NHSGGC 2022/23 Adult Health & Wellbeing Survey and to share headline data from the North East locality reports via a presentation at the forthcoming meeting.

The reports can be found at the following links:

- Glasgow City - http://hdl.handle.net/11289/580373
- Glasgow City – Thriving Places - http://hdl.handle.net/11289/580374
- North East - http://hdl.handle.net/11289/580382
- North West - http://hdl.handle.net/11289/580385
- South - http://hdl.handle.net/11289/580379
- Parkhead/Dalmarnock - http://hdl.handle.net/11289/580386
- Ruchill/Possilpark - http://hdl.handle.net/11289/580381
- Gorbals - http://hdl.handle.net/11289/580383
- Govanhill - http://hdl.handle.net/11289/580384
- Garthamlock/Ruchazie – Comparator - http://hdl.handle.net/11289/580380

The interactive tables can be found here - Microsoft Power BI

Recommendations:
The Area Partnership is asked to note the findings of the reports and consider how they can influence future decisions made by the Partnership.
