**Police Scotland ward update noted.**

**5** There was heard a report by Sergeant Martin Madden, Police Scotland, advising the Partnership

(1) of the changes to staff, the current recruitment process and that 4 new officers had been recruited;

(2) of the meetings held with housing providers to help tackle complaints and anti-social behaviour and that any issues should be reported to Police Scotland to address;

(3) of the continued work by officers to control youth disorder within the ward, which had declined, and the continued work with partners, Social Work, Glasgow Life etc regarding problem youths to try and address the issues caused by youth disorder; and

(4) that Police Scotland continued to attend protests, which had been largely peaceful, with any disorderly issues addressed.

After consideration, the Partnership noted

(a) the report and thanked Sergeant Madden for the update and thanked Police Scotland for the work carried out within the ward;

(b) the concerns regarding several changes of community support officers within the ward, which affected relationship building within the community;

(c) that work would be carried out prior to Bonfire Night on the dangers of fireworks and bonfires; and

(d) that a dedicated phone line which would allow residents to report concerns regarding all Bonfire Night related matters to Neighbourhoods, Regeneration and Sustainability, would be launched soon and issues could be reported at Report an Unlit Bonfire/Bonfire debris - Glasgow City Council.
