Neighbourhood Infrastructure Fund - Community engagement – Update noted.

7 There was submitted a report by the Head of Policy and Corporate Governance regarding an update in relation to the process for engaging communities in relation to the Neighbourhood Infrastructure Fund (NIF), advising that

(1) the next agreed ward for community engagement was Drumchapel/ Anniesland, due to commence in Autumn 2024; and

(2) the Communities Team was still working on the engagement process to potentially include a number of wards across the city in 2025.

After consideration, the Partnership noted

(a) the report; and

(b) that the ward has had a lot of previous consultation in the past due to the liveable neighbourhood's consultation;

(c) there would need to be a fair balance of funding across the ward and that the Scottish Index of Multiple Deprivation data for each community council area in the ward could be used to consider an appropriate funding split;

(d) any specific community engagement with regards to the NIF fund would be at the discretion of the Area Partnership; and
