Neighbourhood Infrastructure Fund - Community engagement – Update noted.

9 There was submitted a report by the Head of Policy and Corporate Governance regarding an update in relation to the process for engaging communities in relation to the Neighbourhood Infrastructure Fund (NIF), advising that

(1) the next agreed ward for community engagement was Drumchapel/ Anniesland to start in Autumn 2024; and

(2) the Communities Team was still working on the engagement process to include a number of wards across the city in 2025.

After consideration, the Partnership noted

(a) the report; and

(b) requested that Councillor Mitchell would provide a list of proposed projects for the NIF fund and for NRS to provide costings and to be brought back to the next Area Partnership meeting for approval.
