Glasgow Life – Langside Library Refurbishment - Update noted.

9 There was heard a report by Scott Fainchey, Glasgow Life regarding an update on the Langside Library capital refurbishment advising that

(1) the library supported local development and residential growth;

(2) the building had issues including accessibility, visibility, rising dampness, rot and asbestos;

(3) design development would include a new accessible entrance and reception, new community wing and public toilets;

(4) fabric improvements included roof insulated refurbishment, exterior window refurbishment and air source heat pump strategy;

(5) a project community display and design briefing session for the community would be held in September 2024;

(6) the submission of a planning application and formal submission of design and application to statutory authorities would be late September 2024; and

(7) the library would be looking to re-open in 2026.

After consideration, the Partnership

(a) noted the report; and

(b) raised a number of concerns and questions that were addressed by Glasgow Life.
