Neighbourhood Infrastructure Fund update noted – Funding approved – Request to Executive Director of Neighbourhoods, Regeneration and Sustainability.

7 With reference to the minutes of 23rd April 2024, there was submitted and noted a report by the Executive Director of Neighbourhoods, Regeneration and Sustainability (NRS), regarding the Cardonald Neighbourhood Infrastructure Fund (NIF), advising of the progress in relation to the process to support the fund including a summary of commitments to date, as detailed in Appendix 1 to the report.

After consideration, the Partnership

(1) noted an update with regard to approved in principle awards for Moss Park Bowling Club and Cardonald Bowling Club, which were still being contested by the ward's elected members;

(2) highlighted that funds should be allocated to public amenities, based on public consultation and should not be dominated by what Council officers wish the money to be spent on;

(3) requested an exact figure for CCTV in schools; and

(4) approved funding for festive lighting, in excess of the central funding of £3,600, to be deducted from NIF.
