Police Scotland ward update noted etc.

9 There was heard and noted a report by Inspector Colin MacLucas, Police Scotland, advising the Partnership

(1) of the anti-social behaviour operation at the shopping centre and Asda and that they were looking to set up a business forum to tackle the ongoing issues;

(2) of the progress made with the ongoing issues in the Wyndford area in relation to anti-social behaviour, intimating that they would continue to monitor the area on a regular basis and continue to work with Housing associations and relevant Council officers; and

(3) that 3 Police officers from the Maryhill ward had received awards from the Scottish Police Federation bravery awards.

After consideration, the Partnership

(a) noted the report and thanked Inspector MacLucas for this and all the work carried out by Police Scotland within the ward; and

(b) raised concerns and questions regarding the large groups of youths gathering and anti-social behaviour within the Ward and were address by MacLucas.
