Glasgow Third Sector Interface Network update noted.

5 There was heard a report by Ms Anna Dyer, North West Glasgow Voluntary Sector Network (NWGVSN) providing an update on its work, advising

(1) that Tam Munro, the network's former chair, had passed away in January 2024, after a long illness;

(2) of the activities carried out by the network over Christmas and New Year, with food projects, extra deliveries and treats provided to users;

(3) of the new hub at Findlay Church, which provided drop-in meals and weekly engagement with the community and other churches;

(4) that the IT Recycling Project was now named Plugged In and information could be accessed via https://nwgvsn.org.uk/plugged-in-it-project/ which would accept any old IT equipment that would be refurbished;

(5) that Woodside Halls had carried out a full Christmas programme, including 2 pantomimes and a successful community day and as a result additional staff had been employed;

(6) of the continued concerns with regards to the cost of living crisis over the winter and the demand and strain on services and activities;

(7) of the upcoming interactive event to be held, showing the history of Woodside Community Halls, which they hoped would generate funding to help the area; and

(8) that the network passed its condolences to Councillor Malik's family, who had helped and supported them over the last 30 years.

After consideration, the partnership noted

(a) the report and thanked Ms Dyer for the update; and

(b) that the network would provide a report regarding the removal of Strathclyde Partnership for Transport's funding cuts.
