Castlemilk Locality Plan update noted.

4 With reference to the minutes of 23rd November 2023, there was submitted a report by the Head of Policy and Corporate Governance, regarding the Castlemilk Locality Plan, advising

(1) of the development of the Locality Plan, with information on the outcome of the community survey carried out, which helped identify priorities and related issues, as detailed in Appendix 1;

(2) of the stakeholder session, held on 7th March 2024, when participants used the priories and issues identified from the community survey to highlight actions that could be taken forward and included in the plan, as shown in Appendix 2; and

(3) that the Locality Plan had been finalised and approved at a special meeting of Castlemilk Community Council on 28th March 2024, as detailed in Appendix 3 and the next steps would be that public services, local organisations and groups would be asked to help progress the work to achieve the outcomes, indicators and targets within the plan.

After consideration, the Partnership noted

(a) the report and thanked Brian McQuillan for all of the work carried out by him on the Locality Plan;

(b) that Brian McQuillan would still be working in the Communities Team and work would continue with Glasgow Life and other partners to ensure the plan continued until completion; and

(c) that funding from the Neighbourhood Infrastructure Fund could be considered towards some of the priority projects, including CCTV to combat fly-tipping and dog fouling etc.
