Scottish Fire and Rescue Service ward update.

6 There was submitted and noted a report by Station Commander Douglas Millar, Scottish Fire and Rescue Service (SFRS) regarding the current issues, incidents and work being carried out in the ward for Quarter 4, from 1st January to 31st March 2024, advising the Partnership

(1) that the Service had attended 10 fires, with no fatalities, 14 Special Services and that over 200 home fire safety visits had been carried out in the south of the city;

(2) of the work carried out by SFRS Community Action Team to address fly-tipping, water safety, anti-social behaviour etc; and

(3) that the Service had attended 21 unwanted fire alarm signals, which was seen as a large reduction since the new policy had come into force.
