Police Scotland ward update noted.

7 There was heard and noted a report by Inspector Gerry Bryceland, Police Scotland, advising

(1) of the engagement work on the Wellhouse Action plan;

(2) of the emerging police impersonation within the ward resulting in fraud against elderly residents;

(3) of the increase of house break-ins and sheds within the ward;

(4) that Police Scotland would be investigating funding opportunities to support the provision of new off-road motorbikes;

(5) of the work Police Scotland were carrying out to better engage with community councils at their meetings; and

(6) this was the last Partnership meeting that Inspector Gerry Bryceland would be attending and that a replacement had not yet been identified but when confirmed, there would be a full introduction and handover.

After consideration, the Partnership thanked Inspector Gerry Bryceland for all his help and support and wished him well.
