Glasgow Third Sector Interface Network update noted.

8 There was submitted and noted a report by Lyn Lovelock, North West Glasgow Voluntary Sector Network (NWGVSN) providing an update on its work, advising

(1) of the continued IT recycling project “Plugged In” and that information could be accessed via Plugged In – North West Glasgow VSN (nwgvsn.org.uk);

(2) of the continued concerns with regard to the cost of living crisis, the demand on services and anti-social behaviour in some wards;

(3) that the Cabinet Secretary for Health visited the Phoenix Hall on a private visit to meet with members of the Chance2Change Group; and

(4) that Thriving Places (TP) hosted their final Breakfast & Blether in March as Thriving Places as TP came to an end on 31st March 2024 and that TP would now be called G15 Thriving Places and plan to continue their great work as a charity.

After consideration, the partnership noted the report and thanked Ms Lovelock for the update.
