Police Scotland ward update noted - Request to Executive Director of Neighbourhoods, Regeneration and Sustainability and Police Scotland.

9 There was heard a report by Sergeant Fahad Bashir, Police Scotland, advising the Partnership

(1) of the body worn cameras to be phased in for use by officers, with the evidence to be used to support evidence for victims, witnesses etc in court cases;

(2) that there had been no increased reports of racial violence or threats in the ward following the recent unrest across England and Northern Ireland;

(3) that reports of all suspicious activity should be reported to Police Scotland by calling 101 or via Crimestoppers at 0800 555111;

(4) of the current progress that Police Scotland was making within the ward and of the current statistics in relation to incidents within the ward; and

(5) of road safety issues within the Car Free School Zone areas that continued to be monitored along with probationer officers.

After consideration, the Partnership

(a) noted the report and thanked Sergeant Bashir for the update;

(b) highlighted

(i) the ongoing issues relating to speeding vehicles on Blairdardie Drive that had been repeatedly reported to Police Scotland but nothing seems to be improving; and

(ii) issues in relation to incidents with cyclists and pedestrians within walk ways around the canals;

(c) requested the Executive Director of Neighbourhoods, Regeneration and Sustainability

(A) investigate the possibility of erecting speed bumps on Blairdardie Drive to reduce the speeding issues; and

(B) investigate whether signage regarding speed limits could be erected to help reduce speeding cyclists and to make them aware that the walking paths were for everyone to use.
