Police Scotland ward update noted etc.

7 There was heard a report by Inspector Graeme Hogg, Police Scotland advising the Partnership that

(1) since the last Area Partnership there had been no major incidents in the ward;

(2) there was now a full team in place with 2 sergeants and 10 officers;

(3) there had been an increase in domestic house break-ins;

(4) parking was a real issue in the area including untaxed vehicles and foreign registered vehicles; and

(5) in relation to the Clydeside part of the ward, they had received only 16 calls from the public since 16th June, with less than 6 calls in relation to drug use.

After consideration, the Partnership

(a) noted the report; and

(b) raised questions and concerns regarding cars that had been abandoned in the Govanhill area.
