Neighbourhood Infrastructure Fund update noted - Request to Executive Director of Neighbourhoods, Regeneration and Sustainability.

5 With reference to the minutes of 26th April 2024, there was submitted and noted a report by the Executive Director of Neighbourhoods, Regeneration and Sustainability (NRS), regarding the Maryhill Infrastructure Fund, advising of the progress in relation to the process to support the Neighbourhood Infrastructure Fund (NIF) including a summary of commitments to date, as detailed in Appendix 1 of the report.

After consideration, the Partnership noted that

(1) a copy of the original NIF report would be circulated to members for consideration on projects originally proposed by NRS;

(2) the wider community should be contacted to nominate projects to be carried out under NIF, which should be agreed by the Partnership at a future meeting to allow NRS to provide final costings for the work;

(3) some road repairs should be dealt with by the Council's Roads Department and work outstanding should be clarified beforehand to avoid duplicated work; and

(4) Ross MacPhail, NRS would provide an update regarding CCTV at Maryhill Park to a future meeting of the Partnership.
