Neighbourhood Infrastructure Fund update noted - Request to Executive Director of Neighbourhoods, Regeneration and Sustainability.

6 With reference to the minutes of 25th April 2024, there was submitted a report by the Executive Director of Neighbourhoods, Regeneration and Sustainability (NRS), regarding the Linn Neighbourhood Infrastructure Fund (NIF), advising of the progress in relation to the process to support the Fund including a summary of commitments to date, as detailed in Appendix 1 to the report.

After consideration, the Partnership

(1) noted the report;

(2) requested

(a) for improvement works at the front of the Couper Institute to be considered alongside the Council's Active Travel plans for the area and to see if Cala homes would also contribute, which Karen Venables would provide costs for following further discussion with the relevant community council; and

(b) costs for a fixed CCTV camera at Lainshaw Drive due to ongoing fly tipping issues; and

(c) costs from NRS to renovate two pavements in Carmunnock;

(3) approved

(i) to keep both the additional fixed CCTV on Castlemilk Drive (£17,000) outside the shopping area in front of McDonalds and a redeployable camera (£5,000) with the location of the redeployable camera to be agreed by the Area Partnership, as detailed in the report; and

(ii) an additional £26,000 towards the replacement of lighting columns within Castlemilk Park with a potential completion in December 2024; and

(iii) a split of the £85,000 had already been agreed for landscape and greenspace improvements in Castlemilk Park with 40% from the Simshill and Old Cathcart Community Council NIIF allocation and 60% from the Cathcart and District Community Council allocation.
