Neighbourhood Infrastructure Fund – progress update

Purpose of Report:

To provide the Area Partnership with a progress update in relation to the process to support the Neighbourhood Infrastructure Fund including a summary of commitments to date.

Recommendations:

The Area Partnership is asked to note the contents of the report and advise of any approved spend to allow this to be programmed and actioned.

1. Introduction and progress to date

1.1 The Neighbourhood Infrastructure Fund provides an opportunity to implement participatory budgeting at scale with an approved budget in 2021/22 of £23m, allocated £1m per ward. The budget assigned the decision making in relation to this fund to Area Partnerships. This report provides an update regarding the Area Partnership's position in relation to this.

1.2 In parallel, the Centre of Civic Innovation within NRS continues to develop a citizen engagement model to support the NIIF decision-making process as well as assist with future initiatives involving citizen engagement. An update with regards to this work in relation to the pilot wards and the next steps for rolling out to other wards is provided below.

1.3 It is worth noting that this funding is capital expenditure and therefore can be carried forward to be spent in future financial years.

2. Progress Update of Fund

2.1 Commitments to date across the Infrastructure categories total **£0** as follows:-

- Road Resurfacing and Patching - **None**
- Footway Improvement - **None**
- Street Lighting Investment-**None**
- Drainage Repairs including gully cleaning- None
- Traffic Signals - **None**
- Street Furniture - **None**
- Other **– None**
- **Other- Play areas at Hillpark and Mansewood Park-** Mansewood- The team have contacted the Chair to have a more detailed discussion on the kind of investment from NIIF which would be beneficial to get best value from the investment, due to the nature of the site. In relation to Hillpark, a further investment of £62k from NIIF would supplement commitments from Scot Gov Play Renewal and POSIF/

2.2 A total of £6m has been redirected from the overall £23m NIIF fund, to be topped up in future budget years, for road repairs. **Area Partnerships are still expected to allocate the full £1m initially awarded**. These road repairs are scheduled to be fully completed by 31st March 2024 and is on target across all wards.

2.3 The team are progressing the request that the NIIF could potentially fund the upgrading of the play areas at Hillpark and Mansewood Park and updates will be provided at future Area Partnerships, as appropriate as detailed above.

3. Centre of Civic Innovation – Community Engagement Process – update

3.1 Further to the update provided at the previous Area Partnership regarding to the process being developed to involve greater community involvement to inform the decision-making process for the fund, the Council's Centre for Civic Innovation are working with Community Empowerment Services to run

the system in a live testing environment in Calton and Greater Pollok with the following timeline:

3.2 Following Area Partnerships agreeing final ideas to go to public vote:-

- 16th of September to 13th of October - Local people vote on ideas to fund
- 16th of October to 20th of October - Analyse votes & format reporting
- 23rd of October to 1st November - Area Partnerships agree final ideas to fund
- 1st November to 30th November - Evaluation activity with all stakeholders involved in these pilots to understand the learning from the prototypes and advise on options for recommendations for rolling out to other wards
- Early December - report with recommendations submitted to Community Empowerment Services for wider circulation.

Votes are currently being collated and recommendations for how the NIIF fund should be spent are being prepared ahead of being presented to Area Partnerships for a final decision. CCI will then communicate results and timelines with the communities.

3.3 Running alongside this, evaluation activity is ongoing with a view to developing portions to scale this way of working across the city to inform the final report in December.

4. Recommendations

The Area Partnership is asked to note the contents of the report and advise of any approved spend to allow this to be programmed and actioned.
