Neighbourhood Infrastructure Fund 2022/23 update noted – Request to Executive Director of Neighbourhoods, Regeneration and Sustainability.

5 With reference to the minutes of 31st August 2023 when the Area Partnership requested an update of the findings from the 2 pilot areas be provided, there was submitted a report by the Executive Director of Neighbourhoods, Regeneration and Sustainability (NRS), regarding the Neighbourhood Infrastucture Fund, advising

(1) of an update on the progress of the Neighbourhood Infrastructure Fund that had been carried out and of the commitments to date;

(2) that Area Partnerships would still be expected to allocate the full £1m initially awarded and that this funding is capital expenditure therefore could be carried forward to be spent in future financial years; and

(3) of an update and timelines on the pilot areas Calton and Greater Pollok.

After consideration, the Partnership

(a) noted

(i) the report; and

(ii) the importance of engagement with the local community, particularly where there is no community council representation and to engage with local high street businesses in the ward area; and

(b) requested that the director of Neighbourhoods, Regeneration and Sustainability to investigate the cost element of the pavement issue at Clydeford Road and if subject to other funding or part of Neighbourhood, Regeneration and Sustainability work plan schedule.
