Neighbourhood Infrastructure Fund – Progress update noted – Request to Executive Director of Neighbourhoods, Regeneration and Sustainability.

8 There was heard a report by the Executive Director of Neighbourhoods, Regeneration and Sustainability (NRS), regarding the Langside Neighbourhood Infrastructure Fund (NIF).

After consideration, the Partnership

(1) noted that

(a) an update regarding pricing and costings for various projects would be provided at the next meeting including suggestions made by Mount Florida Community Council;

(b) they were in discussions with developers with regard to the CCTV at Crossbank Avenue to move the columns to ownership of Glasgow City Council;

(c) they were working with Scottish Power regarding the CCTV at Prospecthill Circus, with the costs having risen to £17,000, with a potential installation date of January 2025; and

(d) the lamps at Holmlea Bridge were ornamented and had no power supply and would therefore require new cables to be installed and the Bridge was B listed, so any changes would have to be discussed with Historical Scotland; and

(2) requested the Executive Director NRS provide costs relating to requests made by Toryglen Community Council to include:-

(a) purchasing quad bikes;

(b) regeneration of the play park at Glenmore Avenue and Kerrylamont;

(c) lighting improvement on the lane at Kerrylamont to Ardnahoe Avenue;

(d) installation of a cycle path along the side of Orchard Grove;

(e) extending event parking to all of the Toryglen area for events at Hampden Stadium;

(f) installation of lighting at the Malls Mires play area;

(g) charity bus purchase for bus service M2; and

(h) additional litter bins and dog waste bins in the Toryglen area.

(3) approved £17,000 for CCTV installation at Prospecthill Circus.
