Neighbourhood Infrastructure Fund – Progress update noted – Request to Executive Director of Neighbourhoods, Regeneration and Sustainability.

6 There was heard a report by Ross MacPhail, Neighbourhoods, Regeneration and Sustainability (NRS), regarding the Springburn/Robroyston Neighbourhood Infrastructure Fund (NIF).

After consideration, the Partnership

(1) noted that

(a) an update would be submitted to the next meeting for consideration;

(b) future requests for NIF proposals should be submitted to the Area Partnership to consider if costings should be undertaken by NRS, with all potential costings being submitted to a future meeting for consideration;

(c) the cost of the installation of dropped kerbs was £1,035; and

(d) land ownership information was required before CCTV could be installed in some parts of the ward, indicating that any specific locations would be considered.

(2) requested the Executive Director NRS provide costs to include:-

(a) purchasing a defibrillator for Beatroute Arts;

(b) LED lighting at Standburn Road;

(c) upgrade to lights at Springburn Way;

(d) road repairs to the hole at the junction at Ned Donaldalson House traffic lights at Springburn Way Road;

(e) road repairs at Quarrywood Road;

(f) installation of pathway lighting and resurfacing to the rear of Wallacewell Primary School; and

(g) installation of speed signage for all primary schools in the area.

(3) approved in principle, its support to proposals from Brunswick Community Development Trust, Springburn Winter Gardens and Barmulloch Community Development Company subject to receiving relevant documentation for further information and discussion.
