Police Scotland ward update noted.

4 There was heard a report by Inspector Derek Gibson, Police Scotland, advising the Partnership that

(1) Inspector Derek Gibson had moved to a new area and that Inspector Siobhan Patterson had returned to the Drumchapel area;

(2) there had been a slight decrease in car theft, however this may increase over the winter months, with the public being advised to always secure cars whilst defrosting;

(3) of road safety issues within the Car Free School Zone areas and that these continued to decrease as local patrols were attending on a daily basis; and

(4) there had been an increase in fraud telephone calls with vulnerable people being targeted for money.

After consideration, the Partnership noted the report and thanked Inspector Gibson for the update and all the work carried out by Police Scotland within the ward.
