Neighbourhood Infrastructure Fund – Potential options update noted – Projects approved.

7 There was heard a report by the Chair, Councillor Kelly, regarding options for the North East Area partnership Neighbourhood Infrastructure Fund.

After consideration, the Partnership

(1) noted that

(a) an update regarding the potential move of the crossing point to the Garthamlock shops would be provided at the next meeting;

(b) safe crossings with islands were working better in some areas than others and additional safe crossings points along Gartloch Road had been costed at £60,000 per crossing;

(c) Greater Easterhouse Supporting Hands Centre and Ruchazie Community Centre both required significant funding;

(d) more information was needed before making a decision on the replacement of the shell grip on bends along Gartloch Road within Gartloch;

(e) a report from the technical design team was required regarding the renovation and repair of pavements between Garthamlock and Gartcosh, the additional pathways at the Avenue End Nursery and also for the playpark at Craigend shops; and

(f) an assessment of markings conditions and cost estimate was to be carried out regarding the missing road markings on Tillycairn Drive and Collesie Drive; and

(2) approved

(a) in principle, CCTV installation for Gartloch Road/Redcastle Square;

(b) Craigend signs as suggested by Garthamlock, Craigend and Gartloch Community Council;

(c) £100,000 for improvements to Greater Easterhouse Supporting Hands; and

(d) £35,000 for bin hubs for Provanhall.
