8 There was submitted a report by Kevin McCormick, Neighbourhoods, Regeneration and Sustainability, regarding the Local Parks and Open Space Improvement Fund providing an update on projects allocated within the ward for years 2021/22 and 2022/23, as detailed in the report.

After consideration, the Partnership

(2) raised concerns regarding the £50,000 costs for Knightswood Park and agreed that community engagement should be undertaken before this was taken forward; and

(3) agreed to reallocate the sum of £12,700 for Knightswood Park and Yoker Recreation Ground to be used to improve the existing wetlands area and increase side planting of wetland favouring tree species.
