Neighbourhood Infrastructure Fund report noted - Funding approved – Request to the Executive Director of Neighbourhoods, Regeneration and Sustainability.

9 There was heard a verbal update by the Executive Director of Neighbourhoods, Regeneration and Sustainability (NRS), regarding the Garscadden/Scotstounhill Neighbourhood Infrastructure Fund (NIF).

After consideration, the Partnership

(1) noted that

(a) a further update would be submitted to the next meeting of this Partnership; and

(b) future requests for NIF proposals should be submitted to this Partnership to consider and any costings of the proposals should be undertaken by NRS and brought back to this Partnership for consideration; and

(2) requested

(a) that NRS investigate the installation of 4 sets of speed cushions around Clyde Campus and liaise with other departments to ensure there was no duplication of works;

(b) clarification on the potential installation of 4 redeployable CCTV cameras for the ward, indicating that maintenance costs should not be incurred by this Partnership; and

(c) costings for a fence to be installed at Daisy Park; and

(3) approved funding of £10,000 towards a long-term fix at the Knightswood Park pond.
