

Neighbourhood Infrastructure Improvement Fund update noted etc.

8 There was submitted a report by the Executive Director of Neighbourhoods, Regeneration and Sustainability (NRS) providing an update on the Neighbourhood Infrastructure Improvement Fund (NIIF) programme, advising

- (1) of the background to the £1m NIIF programme;
- (2) that in December 2024, a small team of staff were tasked with reviewing the current process for NIIF and the backlog of requests already received, as well as devising clear guidance and processes for its management going forward;
- (3) that a review of information held within Area Partnership minutes, NRS services and across council departments had been carried out to allow a full breakdown of current committed spend, new proposals still to be costed and spend to date to be collated;
- (4) that some proposals previously discussed at Partnership meetings had been included in the report but had yet to be progressed to NRS for estimated costs and requested that the Partnership reviewed the information and confirmed that projects had been approved and should now be referred to NRS;
- (5) of the criteria for the fund, as detailed in appendix 1 to the report, and that all NIIF proposals must be approved at an Area Partnership meeting before being passed to NRS to be costed;
- (6) that NRS Neighbourhood Liaison Managers would attend each meeting to present the report produced by NRS and record all approved new proposals on an agreed template to be used internally by NRS;
- (7) that general enquiries but not proposals could be emailed to the NIIF mailbox at NIIFEnquiries@glasgow.gov.uk; and
- (8) of the NIIF proposals to date, as detailed in the report.

After consideration, the Partnership

- (a) noted the report;
- (a) highlighted that the costings for Scottish Canals Stockingfield Bridge community arts project mural Ref 15-001 had been agreed with an equal share with Canal Ward of £34,000 and not £36,000, as detailed in the report;
- (b) agreed that
 - (i) the proposals, as detailed in the report, in respect of projects Ref 15-007, Ref 15-010 and Ref 15-011 be submitted to NRS for costings;
 - (ii) Ref 15- 005 be submitted to NRS for costings for the repairs to

potholes and pathways in the Acre Community Car Park and from 1 Arce Drive to the U Save shop; and

- (iii) Ref 15-009 and Ref 15-008 should be removed from the list due to more information being required and more work being carried out to identify in which parks were a priority.
