

Our School Anti-Racism Promise

At our school, we believe everyone should feel **safe, included and respected**

- ♦ **Fairness for Everyone**
All children should be treated fairly. We respect everyone's right to be treated equally and with kindness.
- ♦ **Speak Up**
If we see or experience racism, we will tell an adult we trust straight away. It is always important to speak up when something is wrong.
- ♦ **Learn and Teach**
We learn about anti-racism so everyone can feel respected. We can also teach others about anti-racism to help stop racism.
- ♦ **Create Safe and Brave Spaces**
We create open, safe spaces where everyone can talk about racism and ask questions. We make sure no one shows racism at our school.
- ♦ **Support and Lead by Example**
We support people who have experienced racism. We show a good example to others by promoting and helping everyone to be anti-racist.
- ♦ **Work Together for a Better Future**
By learning, speaking up, and standing together, we make our school and the world a fairer place for everyone.
