Police Scotland ward update noted.

7 There was heard and noted a report by Police Constable Laura Gordon, Police Scotland advising the Partnership that

(1) there had been increased patrols within the ward and joint working with the campus police officer of Springburn Academy, Amy Ferguson, to address the youth disorder at Springburn Way;

(2) the recorded number of organised crime incidents had increased and as such plain clothes patrols by officers had increased in the ward area to target this;

(3) of the work being carried out to target road traffic incidents and speeding;

(4) that a further officer would be appointed to St Roch's Secondary School; and

(5) Police Scotland had been working collaboratively with NG Homes to seize quad bikes that were being stored within flat closes and bin sheds.

After consideration, the Partnership

(a) noted the report; and

(b) raised questions and concerns what were addressed by Inspector Declan Todd.
