

## **Neighbourhood Infrastructure Improvement Fund (NIIF) update noted etc – Funding approved.**

7 With reference to the minutes of 30th April 2025, there was submitted a report by the Executive Director of Neighbourhoods, Regeneration and Sustainability providing an update on the Neighbourhood Infrastructure Improvement Fund (NIIF) programme, advising of a progress update in relation to the NIIF, including proposals submitted for estimate, proposals requiring more information and a summary of committed and actual spend for the Ward, as detailed in the report.

After consideration, the Partnership

- (1) noted the report;
- (2) approved
  - (a) Ref 04-021, addition of accessible and inclusive features at Hartlaw Crescent;
  - (b) Ref 04-025, renewal of railings at Mossark play area;
- (3) voiced their disappointment that there had been no engagement with members of the Partnership to communicate the reasons why there had been a significant increase in CCTV, which the Partnership had been asked to approve, compared to the initial costings that had been quoted and asked officers to investigate the reasons for the change in costs;
- (4) asked if the locations identified for CCTV were not suitable, that recommendations from the Service should be communicated of other suitable locations in the Ward;
- (5) advised officers that Ref 04-026, upgrades at Penilee Community Centre had already been approved by the Partnership; and
- (6) requested officers
  - (a) to look into the costing for 04-027, MUGA resurfacing at the rear of Penilee Community Centre, as similar work had been carried out at another Council owned facility which was considerably less than the £25,000 quote received; and
  - (b) to investigate why Ref 04-016, repair of pathways at Hartlaw Crescent did not include the stairs at that location which the Partnership had specifically requested
