

Sustainable Procurement Strategy 2023-27 – Bi-annual performance update noted.

5 With reference to the minutes of the City Administration Committee of 23rd March 2023 (Print 1, page 38) approving the Sustainable Procurement Strategy 2023-27, there was submitted and noted a report by the Director of Legal and Administration regarding the bi-annual update of the delivery of the Strategy, advising

- (1) that the Strategy had 6 key Strategic Procurement objectives and 29 actions, with more than 50% of the actions having a sustainable theme;
- (2) of the Action Plan, as detailed in Appendix A of the report, showing all the deliverables, including the associated target dates until 2027; and
- (3) of the 8 actions that were targeted for completion by December 2024 which supported the delivery of 5 of the 6 key Strategic Procurement objectives, 7 having been completed on time and 1 had been delayed, which was completed in February 2025.
