

Glasgow Community Planning Partnership Governance Framework – Membership noted etc – Request to the Head of Policy and Corporate Governance.

2 There was submitted and noted a report by the Director of Legal and Administration providing an update regarding membership of this Partnership, advising

- (1) that Charles Scott was no longer the substitute representative for Broomhill Community Council leaving the position vacant; and
- (2) of the amendments to the Governance Framework that related to Area Partnerships.

After consideration, the Partnership

- (a) noted the report; and
- (b) requested that the Head of Policy and Corporate Governance explore local and relevant community groups from across the ward, to allow members to consider and approve organisations as representatives to join the Partnership in the future.
