

Development of Area Partnership Plans noted.

6 With reference to the minutes of 24th April 2024 noting the Local Outcomes Improvement Plan (LOIP) and the service reform of Community Empowerment Services, there was submitted a report by the Head of Policy and Corporate Governance regarding the development of Area Partnership Plans, advising

- (1) that one of the key actions identified as a priority for the newly formed Communities Team was to support Area Partnerships in the development of Area Partnership Plans that would define local ward priorities and areas of need, highlight the resources and infrastructure available and ensure any future investment of resources were effectively targeted in response to the actions plans;
- (2) of the proposal to develop the action plans to leverage community-identified data and the work undertaken with colleagues from Strategic Information, Innovation & Technology in the development of Area Partnership dashboards, as detailed in the report;
- (3) that the proposed plans would have clear strategic links with the Child Poverty Programme, Thriving Places and or Local Place Plans and Health and Social Care Partnership Sector Plans; and
- (4) the next steps and a proposed timeline of the process that would be undertaken in 2025/26 as detailed at Appendix 1 of the report.

After consideration, the Partnership

- (a) noted the report;
- (b) raised questions and welcomed holding development sessions with local groups to identify local needs and to suggest initial priorities; and
- (c) agreed the proposed timeline for the development of Area Partnership Plans as detailed at appendix 1 of the report.
