

Strategic Plan Performance - Grand Challenge 1 - Reduce poverty and inequality in our communities - Missions 1, 2 and 3 - Service commitments noted etc.

3 With reference to the minutes of 4th December 2024 (Print 6, page 168) noting that requests for further details or progress updates relating to specific commitments of the Council's Strategic Plan would form part of this committee's future work programme, there was submitted a report by the Chief Executive,

- (1) advising
 - (a) that a template report had been issued to all Services that structured and supported scrutiny of the Strategic Plan and illustrated the crosscutting nature of its Missions as those Services worked together to deliver the Council's priorities;
 - (b) that the Strategic Plan was subject to annual review to reflect the volatility of outside pressures and budget constraints, with the last annual review approved by the Council at its meeting on 31st October 2024; and
 - (c) of the work underway across a number of key areas to deliver the plan's commitments; and
- (2) detailing in an appendix to the report, progress and performance updates, sample case studies and planned activity by the Chief Executive, Education Services and Glasgow City Health and Social Care Partnership across key areas to deliver those commitments, focussing particularly on Grand Challenge 1 and the undernoted Missions:-
 - (a) Mission 1: Tackle child poverty in our city using early intervention to support families;
 - (b) Mission 2: Meet the learning and care needs of children and their families before and through school; and
 - (c) Mission 3: Improve the health and wellbeing of our local communities.

After consideration, the committee noted

- (i) the report; and
- (ii) that if required, officers would report back with further detail or progress updates on specific commitments or actions as part of the committee's future work programme.
