

Glasgow City Health and Social Care Partnership ward update noted.

6 There was submitted and noted a report by the Chief Officer, Glasgow City Health and Social Care Partnership (GHSCP) regarding work being undertaken by the GHSCP in the South area of the city, advising

- (1) of the Glasgow City Health Improvement Training Calendar schedule for January to March 2025 which offers different levels of training on a range of subjects from informed through to specialist and this was a time limited resource which was available city wide;
- (2) of the Health, Exercise and Nutrition for the Really Young (HENRY) approach programme which focussed on family behaviour to help parents adopt healthier eating and lifestyle habits to give their children the best start in life;
- (3) that the re-commencement of the Quit Your Way stop smoking service which offered people help to quit smoking remained positive, with successful engagement at the face-to-face clinics as well as telephone support; and
- (4) that Health Improvement staff were supporting the roll out of the Scottish Government Breastfeeding Early Years Scheme Friendly Scotland Scheme which aimed to provide structures to encourage and support breastfeeding.
