Erection of fence (retrospective).

AT

AS SHOWN ON THE FOLLOWING SUBMITTED PLAN(S)

Reason(s) for decision

01. The proposal was not considered to be in accordance with the Development Plan and there were no material considerations which outweighed the proposal's variance with the Development Plan.
02. The proposal is refused in that it exceeds the 600mm height as is stipulated in the Residential Design Guide thereby constituting a hazard to vehicle and pedestrian visibility.
03. The proposal fails to comply with Supplementary Guidance 1: The Placemaking Principle of the City Development Plan in that the fence is considered to be incongruent with the general provision of permitter fencing within the estate and is therefore detrimental to the visual amenity of the area and the character of the street scene.
