Liveable Neighbourhoods & City Network – Ruchill to Cowlairs and Lambhill to Milton - Update noted.

10 There was submitted a report by the Executive Director of Neighbourhoods, Regeneration and Sustainability, regarding Liveable Neighbourhoods (LN) within the Ward and of active travel projects, advising

(1) of the background and progress of the Council's LN programme in the Ruchill to Cowlairs LN study area which covered the neighbourhoods of Ruchill, Hamiltonhill, Possilpark, Port Dundas and Cowlairs and formed one of 4 areas in the first tranche of LN;

(2) that the remaining part of the Canal ward was encompassed within the Lambhill to Milton LN study area covering the neighbourhoods of Lambhill, Cadder, Parkhouse and Milton which is one of four areas in the third tranche of LN;

(3) that the online and in-person community engagement provided invaluable ideas for the design team to develop specific LN projects;

(4) that the Lambhill to Milton study area was currently a live project with the RIBA Stage 1 report and had recently been presented to the Environment and Liveable Neighbourhoods City Policy Committee 8th October 2024 and that RIBA Stage 2 activity for Lambhill to Milton would soon be underway with further engagement and co-design activity being planned;

(4) that Possilpoint Community Cnetre and Cowlairs Park and Routes to Schools had been identified as potential for funding via Neighbourhood Infrastructure Fund and the Place Fund, as detailed in the report; and

(5) that the Council’s link to Liveable Neighbourhoods could be accessed via https://www.glasgow.gov.uk/liveableneighbourhoods.

After consideration, the Partnership

(a) noted and thanked Derek Dunsire for the report; and

(b) raised a number of points and questions that were addressed by Derek Dunsire.
