

Police Scotland Ward update noted.

7 There was heard a report by Inspector Stephen Gow, Police Scotland, advising the Partnership

- (1) that there had been a significant decrease in calls relating to fireworks over the Bonfire Night period and that Police Scotland had received support from Glasgow City Council in the removal of bonfires;
- (2) that there had been a decrease in reports of shoplifting in the ward however, major supermarkets continued to be targeted and Police Scotland had therefore created a regional crime force in Glasgow to target shoplifting;
- (4) a new Area Commander had been appointed;
- (5) there had been a reduction from previous years in youth anti-social behaviour over the festive period and that there had been a spike in domestic incidents;
- (6) Inspector Gow asked the members for assistance in identifying areas where speeding was an issue so that these areas could be attended by Police Scotland.

After consideration, the Partnership

- (a) noted and thanked Inspector Gow for the update;
- (b) raised a number of questions that were answered by Inspector Gow; and
- (c) raised that Police Scotland had been in attendance at various Mount Vernon Community Council meetings and had been very informative.
