Further information and booking details here: Glasgow City Health Improvement Training Calendar - NHSGGC</p> <p>Cost of Living Guide: Glasgow City HSCP Cost of Living Support Guide (Feb 25)</p> <p>Glasgow City Wellbeing Winter Welfare Guide: Glasgow City Wellbeing Guide</p>
<p>South Locality</p>	<p>Smart & Connected Social Spaces, Digital Innovation Programme Goals:</p> <ul style="list-style-type: none"> • Drive real-world service innovation across housing, health, and social care • Scale up connected technologies to improve wellbeing, care delivery, and housing conditions • Establish strategic partnerships to support long-term investment and innovation <p>Strategic Achievements</p> <ul style="list-style-type: none"> • Phase 2 launched in April 2025, expanding from 3 to 8 partner organisations

- Over 50 active use cases introduced, with 40+ live workstreams underway
- Increased executive engagement across sectors, improving strategic alignment
- Revised master plan adopted for sprint-level planning and milestone tracking
- 25+ milestones delivered in Q1, including scoping and pre-commissioning stages
- Two new use cases (UC055 & UC056) launched for connected re-ablement and discharge pathways
- Zero-cost partnerships formed with Amazon, Vodafone, and SSE
- Amazon hosted AI roundtable, leading to new pilot designs
- Procurement complexity addressed through cross-sector engagement
- Support for North Lanarkshire's mass connectivity roll-out to 34,000+ social housing units

Funding Outcomes

- Secured additional funding from the Scottish Government's PSR Fund
- Funding supports residential care innovation in Glasgow
- Non-repayable funding enables reinvestment of savings
