

Climate Engagement and Communication update – Details noted.

4 There was submitted a report by the Executive Director of Neighbourhoods, Regeneration and Sustainability regarding an update on the approach to Climate Engagement and Communication, advising

- (1) of the key engagement projects such as Glasgow Climate Week 2025; and
- (2) of the next steps and priorities for Climate Engagement and Communication to support the delivery of the city-wide Climate Plan and the net zero carbon by 2030 target, as detailed in the report.

After consideration and having heard a presentation from L Comrie, the committee noted

- (a) the report together with the presentation;
- (b) the overview of projects that included examples of best practice and examples of the approach in practice;
- (c) the work with internal communication teams to access existing communication mechanisms including a gold course; and
- (d) the next steps as detailed in the report.
