

Area Partnership Development Plan noted.

14 With reference to the minutes of 29th January 2025 approving the proposed timeline for the development of Area Partnership plans, there was submitted a report by the Head of Policy and Corporate Governance advising of the work being carried out to address child and family poverty across the city and the need to align this with Area Partnership plans, with updated reports to be provided to future Partnership meetings.

After consideration, the Partnership

- (1) noted the report; and
- (2) requested that the plan looked at overcrowded housing, high rental charges and inequalities within the ward to target those who required the greatest support.
