8 With reference to the minutes of 15th April 2025, there was submitted a report by the Executive Director of Neighbourhoods, Regeneration and Sustainability (NRS), regarding People Make Glasgow Communities (PMGC), advising of expressions of interest received for the use of the Pollokshields Community Centre as part of the PMGC programme and an update on the Data Collection for Pollokshields Ward in respect of the Community Hubs Fund.

After consideration, the Partnership

(2) recommended that

(a) PMGC should continue to undertake a wider analysis of the Pollokshields Ward, with the support and perspective from community organisations, community councils and elected members; and

(b) PMGC delivery team take forward the application referenced within the report to the Engagement Phase of the PMGC process after its initial proposal had been reviewed and assessed appropriately;

(3) raised concerns that details of the organisation which had submitted a proposal were not yet to be shared with the partnership; and

(4) requested that the asset board meet with the 4 ward councillors to ensure ideas could be shared and taken to the wider community for discussion.
